Show Off Your Commitment To The Enviroment, Reduce The Use Of Plastic Bags Introducing The Reusable Grocery Pod

P1567-5

Reusable Grocery Pod

This grocery pod is essential for any grocery run. Convenient and reusable, it includes 5 reusable totes which can be carelessly stuffed into the convenient carrying pod for storage. The carrying pod is compact and lightweight and fits in the glove box of your car so you'll never forget to bring your grocery bags for shopping. The pod has ample room to carry more than 5 totes so you can carry all the groceries in one trip. Made of 210D poly, the entire unit is washable & reusable so its eco-friendly and useful so you'll never have to use plastic bags again.
